Provincial Secretaries

The national *Book of Life* for the year 2024, a tribute commemorating the lives of beloved members of The Catholic Women's League of Canada who have been called home to God, is now available from national office. This book is a testament to their faith, service and dedication to the League, "For God and Canada." Please share it with diocesan and parish councils according to your provincial communications protocols.

Great care has been taken in compiling this book to ensure that every name is included with the dignity and respect each member deserves, to honour their memory and to pray for the repose of their souls. Each diocesan chairperson of faith (provincial where no diocesan councils) was given four opportunities to review and verify the names before publication to ensure its accuracy and completeness. However, sometimes oversights do occur in the review process. Should you find that a member's name has been missed, we ask that you forward her name to national office for inclusion in the *Book of Life* for 2025.

May you find comfort in the promise of the Resurrection and the knowledge that your departed sisters remain forever in the embrace of God's love.
