FROM: Barb Dowding, Honorary Life Member and WUCWO Regional Vice President North America
TO: Provincial Presidents and Secretaries
CC: National Officers
National Life Member Liaison

Please forward this message
according to your provincial communications protocol.

World Union of Catholic Women's Organizations ([WUCWO](#)) Activities and Events

A great deal of activity, events and notices are coming out of the WUCWO secretariat. Some have a short lead time, while other dates are set a month or so ahead.

To keep up and have all members informed appropriately, I am including a number of notices in this memo to streamline communication.

As national office becomes informed of these directives from the WUCWO secretariat, depending upon the nature and timing of the event/activity, it will appear on the [Events Calander](#) and include appropriate links. I hope you check this calendar often to see what's coming and what's new.

One relatively new initiative is becoming an ambassador for the [World Women's Observatory](#). Learn more and [get involved!](#)

While the bulk of events, initiatives and outreach is geared towards women in Africa, it is really important for women worldwide to join in and support the work to ensure success, which, in the end, will help women everywhere.

Here are some dates to watch for and register online:

1. Facilitator Training and new Conversations in the Spirit dates to watch for and register online:
 - [Facilitator Training](#) (April 28th and 29th)
 - [Conversations in the Spirit](#) (May 6th and 8th)
 - [Special Youth Event](#) (May 10th)
2. [WUCWO Day Prayer Service](#) (May 13th)
Women worldwide are encouraged to do something special in the way of prayer for WUCWO Day 2025. We give thanks for this amazing organization and ask that God continue to bless the work, mission and outreach wherever it is needed.

I urge you to take some time to look through the WUCWO website. It is rich with information, updates, ideas and more. Grab a coffee and have a tour—you won't be disappointed!

The very best way to stay informed and updated with registration information and more is to sign up for the WUCWO newsletter. Every month, there is an inspiring [statement](#) from the president general and more. To sign up, contact the WUCWO secretariat at info@wucwo.org.
