RE: Members Needed for Focus Group

**Please forward this message to your diocesan presidents
according to your provincial communications protocol.**

In November 2024, a working group was established to develop online courses for members. The primary objectives of these online courses are to enhance leadership abilities, foster confidence and provide members with comprehensive knowledge of the League. The working group has completed its first five courses and is seeking feedback.

The working group is looking for volunteers to share an hour or two of their time to help make these courses the best they can be. Volunteers will be enrolled in a course and asked to provide feedback on ease of use, user experience and aesthetics. They will not be required to give feedback on the content, as all content is from previously approved resources.

Provincial and diocesan officers willing to volunteer to contribute their time to help the working group create the most comprehensive courses possible are needed.

Kindly forward all willing members' full name, diocese, council name and email address. Your assistance in this initiative is greatly appreciated. Please respond via email to cwl.brightspace@gmail.com by Monday, June 16, 2025.

Thank you for your support in this request and your ongoing dedication to the League.
