

Joint Statement
by Canadian Conference of Catholic Bishops
and the Canadian Council of Imams
Condemning the Terrorist Attacks in Sri Lanka

The Canadian Council of Imams and the Canadian Conference of Catholic Bishops jointly condemn the terrorist attacks which occurred in Sri Lanka on Easter Sunday, 21 April 2019.

Both our religious traditions speak of peace, love, and justice for all humanity. It is abhorrent to see the people of Sri Lanka, whether gathered to worship on the feast of Easter, or with family and friends in hotels, subjected to acts of hate and complete disregard for human life.

As faith communities in Canada, we stand together, offering our condolences and prayers for all the victims of this terrorist attack and with a united voice rejecting all forms of hatred, violence, and discord.
