

H.U.G. (Helping, Understanding, Giving)

Centenary Committee Project 2019

Have you given a H.U.G. yet?

The centenary committee is anxiously awaiting to receive the number of packages given by members across Canada to local women's shelters in your communities.

The goal is 2,019 packages to commemorate the project year.

The total will be announced at the national convention during the prayer service to commemorate the packages and offer prayers to those using the shelters.

The deadline is July 31, 2019.
