

# The Catholic Women's League of Canada

## MEMO

**DATE:** September 30, 2019

**FROM:** Anne-Marie Gorman, national president and chairperson of international relations

**TO:** Parish council presidents

**CC:** Diocesan presidents, provincial presidents and life members (on request)

In August, 2019, every parish council spiritual advisor in Canada was sent a copy of the strategic planning book, *The Catholic Women's League of Canada Plans Strategically 2018-2022* with an accompanying letter of explanation. At the same time, the spiritual advisors were invited to take part in a short survey to be completed online.

You can be of great assistance! Please contact your spiritual advisor to

- a) Confirm that he or she has received the correspondence and book. If not, please contact the office to advise (officeassistant@cwl.ca);
- b) Have a conversation with him or her about the strategic plan;
- c) Ask him or her to take part in the online survey (5-10 minutes' time) if he or she has not done so to date.

Your assistance with this endeavour will in turn assist immeasurably with the task of taking the League into the next century. The spiritual advisor's information is anonymous, but invaluable.

If you are unable to meet with your spiritual advisor in the immediate future, perhaps you could invite one or more of your members to represent you at this meeting.

I look forward to hearing that our spiritual advisors have embraced the work of the implementation of the strategic plan by responding to the brief survey, with sincere thanks to you for the encouragement to them.

Continued blessings on your work for God and Canada in 2019-2020.
