

# Communications Annual Survey - 2021

ID. Council Code (e.g. C-100)  
name

## Introduction

As parish communicators, we provide worthy information to help form the coming years activities at the diocesan, provincial and national levels of the League.

I encourage you to complete the survey as it is broken down into each sub-heading as noted in the *Constitution & Bylaws*. All councils will not avail themselves of each item, however we ask you to provide the information your council did over the past year. You are your council should be proud of all that has been accomplished in 2021 and are to be commended. Once you have completed the survey you may wish to set your goals to help plan your activities for the coming year.

You may see questions to "skip" if you do not have a standing committee chairperson for this position. The intent of this question is to determine what personal growth the chairperson had. We absolutely want to hear if your council was still able to make progress related to that question. You can identify the work accomplished by the council in the last question of the survey where it asks to share any other council activities not yet reported.

**REMINDER: PLEASE PRINT OFF THE REPORT PRIOR TO HITTING THE SUBMIT BUTTON.**

Thank you for taking the time to complete the communications annual report survey. Your information will inform the other levels of the League what your members have done and what they are interested in.

Betty Colaneri, First Vice President and Chairperson of Communications
