

Implementation Committee Update—March 2023

Like the stars in the sky, there are so many possibilities available to breathe new life into parish councils. The possibilities are endless. Have you looked at the resources the many working groups produced over the last four years?

There is something for everyone—whether a parish council is large or small. Would you like to learn more about Catholic social teaching—or even what Catholic social teaching is? It's there! Do you want to learn how to share what the League does with members and non-members? There is a document with ideas for you! Thinking you need to start a parish newsletter but want help? There's a template for that too! Find everything a parish council may need at cwl.ca/strategic-planning-resources-and-updates/.

Are you a more face-to-face learner? Three webinars are coming up where implementation committee members will present some exciting resources! Sign up for one or all three of the Heart to Heart webinars at cwl.ca/heart-to-heart-webinars/.

No matter where you are or how much you know about the League, there are resources for you and your parish council. So take a look—find things that will teach you about your faith and give you ideas for sharing it with others!
